FROM ANOTHER APPLICATION**

Mail Stop Patent Application  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants request entry of the identical computer readable form from a related application. Specifically, the computer-readable form of the Sequence Listing in the above-identified application is identical to the substitute Sequence Listing, in Application No. 08/839,765, filed September 28, 1998. In accordance with 37 C.F.R. § 1.821(e), please use the computer-readable form of the Sequence Listing filed in that application as the computer-readable form in the instant application filed simultaneously herewith. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer-readable form of the Sequence Listing that will be used in the instant application. A

paper copy of the substitute Sequence Listing is included in the originally-filed specification of the application filed herewith.

Respectfully submitted,

DATED: November 18, 2003
